

The Minnesota Office of Aeronautics has been kind enough to offer Minnesota Wing a booth at the Fair. Members from across the Wing are invited to take part in this unique event by signing up for time slots at the Recruiting Booth.

Why work the Fair?

- *This is a great chance to recruit new members from all over the state*
- *Because we need your help! :)*
- *Units that sign up for a full day will receive 10 free admission tickets (a \$70 value!), or 5 free tickets for a half-day's shift.*
- *Because after your shift is done you are free to walk around the fair, but most of all...*
- *Because it's FUN!*

Squadrons may sign up for a half-day or a full day. Parking, food, and additional tickets are the unit's/individuals responsibility. A half-day is six hours, from either 0900-1500 or 1500-2100, and a full day runs from 0900-2100.

Squadrons can divide the time amongst their members as they see fit. Members can be Cadets or Seniors, but we ask for at least one Senior chaperone be part of the activity when cadets are participating.

Uniform for the State Fair Booth will be a CAP T-Shirt, neat shorts (no cutoffs) or slacks, tennis shoes and socks, and CAP Baseball cap. Wear of the Aviator, Golf shirts with gray tailored slacks and black shoes and socks, AF Blue Uniform (short sleeve no tie) and BDU's/Blue Utility Uniform are optional. No flight suits.

Time slots will be handed out on a first-come, first-served basis (see reverse).

You can check the schedule and sign up at the Wing Public Affairs Website: <http://www.mnwg.cap.gov/pa/statefair>

You can sign up for the Fair by e-mailing pa@mnwg.cap.gov or by calling 612-296-0474.
